Requests Report
Requested between 04/01/2018 and 04/30/2019

Request ID	Request Description	Requested Date
HQ-2019-00511-F	1. Any and all DOE activities conducted in the State of Nevada relating to the Yucca Mountain site or potential repository. 2. Any and all DOE activities conducted outside the State of Nevada relating to the Yucca Mountain site or potential repository. 3. Any and all activities of any of the National Laboratories relating to the Yucca Mountain site of proposed repository. 4. Any and all activities of any other third party contractor relating to the Yucca Mountain site or proposed repository. 5. Any current active contracts between DOE and any of the National Laboratories relating to the Yucca Mountain site or proposed repository. 6. Any current active contracts between DOE and any third party contractor relating to the Yucca Mountain site of proposed repository. 7. Any and all expenditures of DOE or any of the National Laboratories relating to the Yucca Mountain site or proposed repository. 8. Any and all expenditures of any other third party contractor relating to the Yucca Mountain site or proposed repository. 9. Any and all budgets of DOE or any of the National Laboratories relating to the Yucca Mountain site or proposed repository. 10. Any and all budgets of any other third party contractor relating to the Yucca Mountain site or proposed repository. 11. Any and all RFPs (Requests for Proposals) authored by DOE relating to the Yucca Mountain site or proposed repository. 12. Any and all SOWs (Statements of Work) authored by DOE relating to the Yucca Mountain site or proposed repository. 13. All correspondence or other communications sent or received by DOE (to or from) any of the National Laboratories or other third party contractor relating to work or potential work at the Yucca Mountain site or proposed repository.	02/21/2019
HQ-2018-01368-F	On July 14, 2018, representatives from DOE. Conducted a tour of the Yucca Mountain, Nevada proposed repository site. Attended by representatives of DOE, the media, and members of Congress (John Shimkus, Gary Walden, Joe Barton, Larry Bucshon, David Valadao, Don Norcross, Steve Womack, Jeff Duncan, Neal Dunn, Doug LaMalfa, Brett Guthrie, and Mark Sanford. Please provide the following described documents in the possession of DOE relating to the tour, the preparation for the tour, the conduct of the tour, and any activities or communications relating to the tour occurring after its conduct. The period of time for which documents are requested is those generated between January 11, 2018, and the date of this request: 1. All correspondence or written communications relating to the tour (generated or received by DOE) to or from: a. Any of the 12 congressmen who attended; b. Any staff person, employee, or contractor for any of the 12 Congressmen who attended; c. William Boyle or any other DOE employee, representative, or contractor; d. Any representative of any media entity; e. Any representative of any media entity; f. Any other individual, entity, or organization. 2. All documents relating to DOE preparation or preparation of the Yucca site for the tour, including actions or potential actions, inside or outside the Yucca repository site tunnel(s). 3. All documents containing budgets or estimates for any and all expenses expected to be incurred, by DOE relating to any aspect of the tour. 4. All documents drafted or prepared by DOE for possible use in connection with the tour (whether used or not at the time of the tour), including notes, outlines, presentations, PowerPoint presentations, fact sheets, handouts for tour visitors, or talking points. 5. All documents relating to site preparation for the tour, including documents relating to: a. The activation of the tunnel ventilation system; b. The activation of the tunnel lighting system; c. The employment of any technique to monitor air quality inside the tunnel(s) during the tour (for the presence of radon, silica, erlonite, or any other substance	07/19/2018

	<p>affecting air quality); and d. The results of any such monitoring. 6. Any documents relating to actions or precautions taken before or during the tour relating to health, safety, hazards of any kind, or industrial hygiene. 7. Any documents relating to the observation of water or dripping water (or sampling or measurement thereof) in the tunnel(s) prior to or during or after the tour. 8. All documents actually used by DOE during the tour, including notes, outlines, presentations, PowerPoint presentations, fact sheets, handouts, or talking points. 9. All documents in the possession of DOE prepared by DOE or any representative, by any tour attendee or by the media either during or after the tour. 10. All documents prepared by DOE or any DOE representative containing observations, comments, or debriefing of any person who attended the tour. 11. All video, audio, film, or photographic records made of any aspect of the tour in DOE's possession. 12. Any documents relating to the actual costs incurred in connection with the DOE, congressional, or media participation in the tour or budgeted by DOE in connection with any aspect of the preparation for, conduct of, or actions subsequent to 9 and relating to) the tour. 13. All documents reflecting the amount, purpose, and source of any water used by DOE at the Yucca Mountain site before, during, or after the tour.</p>	
HQ-2018-01619-F	Emails, filings, or letters dated within the last 90 days discussing the Yucca Mountain repository.	09/18/2018
HQ-2019-00037-F	Records of licensing for disposal of nuclear waste at Yucca Mountain	10/15/2018
ID-2019-00820-F	<p>Department of Energy Washington, DC 20585 APR 23 2019 MEMORANDUM TO: AMY SMITH FOIA OFFICER IDAHO OPERATIONS 0 FROM: SUBJECT: ALEXANDER C. MORRI FOIA OFFICER OFFICE OF PUBLIC INFORMATION FOIA TRANSFER OF CHARLES FITZPATRICK HQ-2019-00511-F The attached request submitted by Mr. Charles Fitzpatrick is being partially transferred to your office for action. Mr. Fitzpatrick submitted the request under the Freedom of Information Act. He requested: 5.
